

Ward's Marine Electric

- Safe
- Reliable
- Dependable
- Rugged and Durable

Ward's Marine Electric shore power cable sets are made from only the highest quality material. These cord sets provide power with the accuracy and dependability Ward's is known for. With design features such as locking connections and pin/

sleeve plugs, our cable sets are safe and reliable. All WME cable is High Potential tested for insulation resistance with a 5 milliamp default current setting.

50 AMP CABLE SET
