

## Aleph Series

- Vertical design for boats with limited deck space
- Composed of anodized aluminum in hard oxide
- Emergency manual lift system
- IP67 watertight motor, anodized aluminum gearbox, and easy to open inspection lid

AL31012

Item Number	Motor Power Watts	Max Pull Lbs.	Max Work Load Lbs.	Working Load Lbs.	Boat Length Ft.	Price

## Radio Remote Controls

- Transmitters are FCC Part 15, subpart C compliant
- Receivers are FCC Part 15, subpart 4 compliant
- Full supply rant from (10.5 to 31 volt DC)
- Micro controller operated functions
- Protection against polarity inversion and discharge of battery
- Programmable digital filter
- Two functions can be activated at the same time
- Carrier frequency 913.7 Mhz
- Operating temperatures +5°F - +158°F (-15°C - +70°C)
- LED backlit function keys)
